

LAUDATO SI' GOALS

Ecologic spirituality

LSG 6

Actions for the LSG6

- Recovering a religious vision of God's sealing.
- To stimulate contact with the natural world in a spirit of wonder, praise, joy and gratitude.
- To promote liturgical celebrations centred on creation.
- Develop ecological approaches to catechesis, prayer, retreats, formation.

Clues to Reflection LSG6

- How long or how often do you acknowledge the wonder of creation and thank it (personally and communally)?
- How does ecological spirituality affect your ecclesial participation: catechesis, celebrations, etc., in which elements is it reflected?
- Are you looking for retreats on ecological spirituality?
